A fast moving game that helps develop:
• Basketball shooting skills
• Locomotion skills
• Team Work
• Strategic thinking
• Fun and enjoyment!

Tic-Tac-Toe Basket
**Equipment**

For a group of 20 students:
- 4-8 basketballs
- 2 basketball hoops
- 1 Tic-tac-toe grid

**Set-up**

- Divide the students in two groups
- Each group lines up in front of their hoop
- Half of the balls go for each group.
- Draw the Tic-Tac-Toe grid with sidewalk chalk or paint

**Game Rules**

On the “go” signal:

- One team will be the “X” and the other will be the “O”.
- “X” players stand with arms extended up and to the side.
- “O” players stand making a circle with the arms above their heads.
- Students shoot baskets, taking turns.
- If a basket is made, player runs to the Tic-Tac-Toe grid taking possession of one of the squares and standing in the designated body position.
- Players cannot change to another square once they have chosen it.
- When a team has completed a line, all players return to their hoop to continue shooting.
